

FAUNA CAMERA MONITORING PROGRAM

What comes out between dusk and sunrise?

Have you ever been curious about what nocturnal animals you have on your property? Have you ever seen unusual birds or mammals or heard strange noises in the trees or seen shadows lurking around your property at night? Would you like to find out what they are?

Become a part on the ongoing annual Fauna camera monitoring program with the Moorabool Catchment Landcare Group. Contact the MCLG Landcare coordinator (details below) if you would like to go into the next fauna camera monitoring period – held Dec - Feb annually.
